

Wet 'n' Wild Sydney 2015 opening

Take the little ones on a splashtastic adventure to Wet 'n' Wild Sydney and experience the ultimate day out for under 5's this summer. Doors open on Saturday 19 September and we can't wait to get down there for some Wet 'n' Wild fun in the sun!

With an expansive family section designed especially for kids Wet 'n' Wild Sydney has got everything you need for a fun-filled and safe day out with preschool-aged children.

The Best Beach in the West

Why travel long distances to the beach when Australia's biggest and best water theme park is right on your doorstep? With accessible toilets and change rooms, stroller and locker hire, excellent food and retail outlets, Wet 'n' Wild Sydney has all the facilities you need when you are out and about with the family.

Grab a bite to eat at the Little Finns Café, conveniently located close to the children's area. Or soak up the view from the deck and enjoy a light meal at The Surf Club. Forgotten to put the sunscreen in the toddler back pack? Don't worry! The Wet 'n' Wild retail shop has got you covered with sun screen, towels or even a rash vest.

Wet 'n' Wild for Under 5's

Meet SpongeBob and Patrick, Dora and Boots, the Teenage Mutant Ninja Turtles and the Bubble Guppies at Nickelodeon Beach – Wet 'n' Wild's specially designed kids' attraction. Watch their eyes light up as they meet and greet their favourite television characters, and enjoy some family time as you explore the child friendly water features together.

Mini replica slides based on the most popular Wet 'n' Wild attractions have been recreated just for under 5's and are sure to keep the little ones entertained all day long.

Two fun-filled Splash Zones guarantee your young ones will have hours of fun in the sun. Get soaked under one of the giant tipping buckets or point, aim and squirt your friends with one of the giant water sprayers. The kids will love the interactive splash pads and there is even a shaded Splash Zone especially for toddlers, to keep them happy and safe.

Get aboard a tube and wind your way down the kid-friendly version of the Wet 'n' Wild river park attraction, Boomerang Bay. It's the perfect way to relax at the end of a fun-filled day.

Family cabanas

Create a 'home base' for your big day out in one of twenty family cabanas available for hire in the Wet 'n' Wild dedicated children's section. Keeping the family belongings together and finding a comfortable spot for some down time with a hungry child can be challenging on a family day out, but with a family a cabana you have got the security of your own central hub to meet, rest, and recharge between rides. At ellaslist we think the family cabanas are an awesome world-class facility and a major drawcard for young families.

The Nickelodeon experience will appear at Wet 'n' Wild Sydney until December 22 and then on weekends throughout January and February.

Warm weather is well on its way and with Australia's biggest and best water theme park right at our fingertips, the whole family is in for a treat in the heat at Wet 'n' Wild Sydney this summer.
