love'em gourmet
beef sausages
with tomato & basil

GRAIN FREE
NATURALLY TASTY

Hi, I'm Hannah
and that's me with my beautiful boy, Charvie on the front of this pack.
We're huge fans of the love'em sausages as they're so healthy, nutritious
and made here in Australia. If you'd like to star on the front of a pack,
visit love-em.com.au and find out how.

"As a vet, I am passionate about developing pet treats that enhance your dog's health and wellbeing. That's why I guarantee your satisfaction with all our love'em treats - or your money back."

... with help from her much loved kelpie, Lily

Developed and Guaranteed by veterinarian Dr Marie Rowe
BVSc MSc

Why choose love'em sausages?

Created from premium Aussie grown beef and fresh herbs, my gourmet beef with tomato and basil sausages are slowly oven dried to lock in the succulent flavours and aromas your dog will love. Grain free and with nothing artificial, they're a delicious treat that's rich in natural proteins, vitamins and minerals to keep your dog happy and healthy.

Grain free and naturally delicious
