

Hi,

I am Pooja. I am an **SEO expert**.

Have 4+ years of experience with the same field of **SEO, SMM and SMO** both **paid and organic**.

Here are some services I do provide:

- Can do **On-Page** as well as **Off-Page Optimization**. This basically includes analyzing the website.
- There are **few points** such as making website UI/UX better, increase page load speed for desktop as well as mobile, Targeting keywords, and many more which totally depends on the website performance analysis.
- Can do generate backlinks, competitor analysis.
- Creating Meta tags, Schemas, Blogging, Developing sitemaps, and many more to be added.
- Familiar with other strategies such as doing Social Media Marketing, Region as well as audience targeting, and so on.
- I am familiar with Google Analytics, Google Adwards, Google Webmaster, etc.
- When it comes to Marketing, I am familiar with various Marketing channels such as Email Marketing, Digital Marketing, Social Media Marketing, SEO Marketing, Affiliate Marketing, etc.
- Also familiar with doing Social Media Marketing on other Mediums let's say Instagram (Instagram Ads, Stories, etc.), Pinterest, Twitter, Reddit, LinkedIn, You tube, etc.

As an expert, also have an expertise with creating and running campaigns for Facebook, Email marketing, Google Ads, PPC (Campaigns) etc.

I have run numerous campaigns and was able to achieve the good results from them and generated good ROI as well.

Apart from that, I am having an experience with other beneficial technique for the Marketing that is Funnel.

Can create the funnels like Sales Funnel, Opt in Funnels, Marketing Funnels, etc.

I am Professional, reliable, well organized, having an ability to juggle multiple projects at the same time, strong at doing the things like analysis and Gather data, preparing reports, etc.

So, I can help you with your work and gradually can increase the traffic, Google ranking, generating good ROI and other things like that as per the requirements.

As an expert I love to help others to help them with their business, so I would be glad to help you grow your business.

Here are few examples of the website for which I have done SEO work:
