

1,000,000 KEYS TO HEALTH
HAPPINESS WEALTH AND FREEDOM
about EVERYTHING ever created and
recorded by humankind throughout
recorded history.

Imagine that you were seeking the truth
when you know that there are opposing
views and interpretations of almost any
new or ancient idea.

Ideas that can lead to great joy and
fulfilment for most people on our planet -
and ideas that destroy create misery and
havoc for millions - wars which have
raged since the dawn of language resulting
in horrors too dreadful to image.

This is not another Dystopian Movie - The
wars are raging NOW.

The COVID Wars, The CLIMATE
CHANGE Truth Wars, The MONEY

Wars, The Left/Right and In-between
WARS, The Campaign WARs.. and on
and on ...

How and on which shelves in this Tower
of BABEL built from Bricks of CODES
would YOU begin to even look for the
truth?

And even if you were lucky enough to
find the opposing camps, how would you
decide who is lying and who is not?

Impossible.

The internet has created a Digi-
FRANKENSTEIN subservient to the will
of humans, pretending to help their
victims, while sadistically enjoying their
screams while torturing them.

Its not what people say, it's what they DO that is the only proof of Good and Evil

I have rescued materials from the mud of information - A Tower of Babel, built of -0's and 1's - and shown (below) unassailable and un-doctored evidence of what REALLY happened, was said, done, and by whom.

Rendering it **Impossible** to hide the truth that you, and your children and the generations to come will be enslaved and subject to holocausts reminiscent of Dante's Inferno UNLESS

One *LINK bestows on you the power to CHOOSE* for Yourself . On your decisions rest the fates of you, your children and all future generations. This is

the most important thing you can do -
because there is no resisting to the truth,

Lies hide the truth. Here you will see both
or many sides (they tend to be labelled
simplistically as left and right: here u can
see and THEN make your decisions
