

The Master Planning Method

What is your *Desired Result*? *(Be Specific on what you want and set a time-limit for yourself)*

What is your *Driving Purpose for this Result*? *(What is your 'WHY'? what makes this goal so important to achieve? How can you make -achieving- this result bigger than yourself? Remember people would do for others more than they would do for themselves, how does this result have benefit for others?)*

What is your *Action Plan for achieving this outcome*? *(REMEMBER; Be Realistic and Honest, only write down what you KNOW you CAN COMMIT to Daily or Weekly, Also Your Plan needs to be clear and measurable, you must be able to measure your progress along the journey, AND SCHEDULE SCHEDULE SCHEDULE!)*
